2000 - 2004: Art Director, Image & Identity Department, Organising Committee for the Olympic Games, Athens 2004

She was responsible for supervising the design of the advertising campaign for the Athens 2004 Olympic Games. The supervision aimed at maintaining the design consistency of the image and identity of the Games. Some of her projects within this area included the general promotion of the Games as well as the promotion of the Volunteering, the Torch Relay, the Paralympic Games and the Roadshow.

She designed the Look of the Games for several competition venues as well as the sports equipment for the related sports. The competition venues were the following: Peace & Friendship Stadium (Volleyball), Olympic Beach Volleyball Center, Olympic Boxing Center, Olympic Weightlifting Center.

She designed and art directed printed material such as the newsletter *ATHENS 2004 Olympic News*, sports-specific related brochures and collectible issues such as the Emblem Book, the Colour Book and the Mascot Book. Apart from the design for printed material, she was also involved with other design areas such as the design of the website for the education department and the *Olympic Store* look.

She participated at the knowledge exchange programme for the Salt Lake City 2002 Winter Olympics where she worked for the Look of the Games team.

1999 - 2000: Art Director, Bold / Ogilvy advertising, Athens

She worked for the advertising campaign for *Panafon* mobile telecommunications company.

1996 - 1999: Art Director, AD Lubow Advertising, New York, USA

She designed and art directed several advertising brochures, ads for magazines and newspapers, posters, outdoors and websites. Some of the clients for which she worked were: Columbia University (School of Public Health, Continuing Education and Special Programs), New York Philharmonic, New York City Opera, New York City Ballet, The Jewish Museum, The American Academy of Dramatic Arts, Audrey Cohen College, The Archdiocese of New York, The *Loot* newspaper.

1995 (3 months): Freelance graphic designer for The New York Hall of Science, New York, USA
She helped with the design for educational material for students.

1993 (3 months): Intern graphic designer; Spot Thomson advertising, Athens
She helped with the packaging design for foods and juices.

1992 (2 months): Intern graphic designer; LOIS/USA advertising, New York, USA
She helped with the design of final artworks for print ads

EDUCATION

1993 - 1996: Graduate studies, Department of Graduate Communications Design, School of Art and Design, PRATT Institute, New York, USA - Master of Science in Communications Design with concentration in Computer Graphics

1991 - 1993: Graphic Design studies, BA Honours course in Graphic Design, London College of Printing and Distributive Trades, Great Britain. She did not conclude the third year of the course because she left for graduate studies in PRATT Institute with a scholarship from the *Alexander Onassis Public Benefit Foundation*.
